## THERE'S A MONSTER IN YOUR SHOW

A musical, magical adventure for big imaginations – inspired by the bestselling books by Tom Fletcher.

Get ready to sing, laugh, and join in as Little Monster and friends leap from the page to the stage in this brand-new interactive show based on Tom Fletcher's beloved Who's in Your Book? series.

When a group of performers prepare to start their show, they're surprised to find Little Monster has other ideas – and he's bringing Dragon, Alien and Unicorn along too! Packed with original songs, laugh-out-loud moments and plenty of audience interaction, this playful production is the perfect introduction to live theatre for little ones.
